PROFILE

London-based career changer pursuing a Junior Frontend Developer role, with confident HTML and CSS skills and foundational JavaScript knowledge. Since April 2026, has created and iterated on responsive websites, booking workflows and interactive applications through independent, AI-assisted projects. Familiar with Git/GitHub, Netlify and Supabase; keen to strengthen independent programming skills within a collaborative development team.

TECHNICAL SKILLS

HTML5, CSS3, Flexbox, responsive/mobile-first design | JavaScript fundamentals (functions, conditions, arrays and loops) | Git, GitHub, VS Code, Chrome DevTools | Netlify | Supabase exposure | AI-assisted implementation and debugging

SELECTED DEVELOPMENT PROJECTS

SOL — Salon Booking & Management Platform | 2026

- Worked on a multi-employee booking and management application with appointment scheduling, role-based interfaces, salon dashboards and customer workflows.
- Iteratively tested and refined responsive interfaces and Supabase-backed functionality through an AI-assisted development workflow.

Luna — Appointment Booking System | 2026

- Developed and adapted a responsive salon booking experience covering availability, reservations and cancellation rules, including changes for a salon user.

Digital Nest — Business Website & Interactive Projects | 2026

- Built and maintained bilingual, responsive website sections and interactive digital experiences; used GitHub and Netlify for updates and deployment.

PROFESSIONAL EXPERIENCE

Independent Web Developer — Digital Nest (registered business, Serbia) | Apr 2026–Present

Independent digital-product and website development, alongside ongoing employment in hospitality; AI-assisted coding, testing and deployment.

Hotel Receptionist — St. Simeon Hotel (JOVO INVESTMENTS LIMITED) | Oct 2025–Present

Part-time; guest communication, customer service and daily reception support.

Chef — Troubadour (TROUBADOUR PROPERTIES LIMITED) | Nov 2016–Oct 2022; Oct 2025–Present

Returned to the same restaurant after three years; teamwork, time management and attention to detail. Current role part-time.

Self-employed Private Hire Driver — Uber platform | Oct 2022–Oct 2025

Managed work independently while providing customer-facing transport services in London.
